Dear Parents,

State legislation authorizes the loan of textbooks and instructional materials by the Secretary of Education to children enrolled in Kindergarten through grade 12 in nonpublic schools. The specific textbooks and materials to be loaned to your child(ren) have been requested. The law requires that the parent of each child attending the nonpublic school individually request a loan of textbooks and instructional materials. Please complete the individual request form at the bottom of this page and return it to school before school begins. Thank you for your continued assistance and cooperation.

Certificate of Individual Request for Loan of Textbooks and Instructional Materials
